**2014 Proposed Budget Adjustments** – Terry opened the meeting with sharing that the boards' recommendation for raising the levy is to be proactive towards the upkeep of the town asphalt roads. Information was also provided about the lack of recent levy increases in the town, allowable levy limit increases, exceeding the levy limits, and the need for the electors to pass a resolution for exceeding the levy limits (hard copy was provided to each elector.)

Discussion with the board and electors of the priority of the repairs and suggestions of different proposals on how to approach the repairs.
